NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO PROVIDE
INTEREXCHANGE TELECOMMUNICATIONS SERVICE

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

On January 24, 1997, KTNT Communications, Inc. (KTNT) filed an
application with the Commission for a certificate to provide
interexchange telecommunications service. KTNT requested a
certificate under the fictitious names, "It Doesn't Matter," and "I
Don't Care." At our April 14, 1997, Agenda Conference we deferred
a decision on the application because of the controversial nature
of the fictitious names, until additional information could be
obtained on how the company intended to use the proposed names, and
if the names were in the public interest.

In the interim the company informed the Commission on June 19,
1997, that it no longer intended to use the fictitious names "It
Doesn't Matter" and "I Don't Care," and it requested a certificate
under the name KTNT Communications, Inc. d/b/a IDC
Telecommunications.

Upon review of the application, it appears that KTNT has sufficient technical, financial, and managerial capability to provide interexchange telecommunications service, as required under Section 364.337(3), Florida Statutes. Accordingly, we hereby grant Certificate No. 4870 to KTNT. We note that we will carefully review any name changes on its certificate that KTNT may propose in the future.

If this Order becomes final and effective, it shall serve as KTNT's certificate. It should, therefore, be retained by KTNT as proof of certification.

IXCs are subject to Chapter 25-24, Florida Administrative Code, Part X, Rules Governing Telephone Service Provided by Interexchange Telephone Companies. IXCs are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code. Further, pursuant to the provisions of Order No. 16804, issued November 4, 1986, IXCs may not construct facilities to bypass a local exchange company without the prior approval of this Commission.

Based on the foregoing,

ORDERED by the Florida Public Service Commission that we hereby grant to KTNT Communications, Inc. d/b/a IDC Telecommunications Certificate No. 4870, subject to the terms and conditions specified in the body of this Order. It is further

ORDERED that this Order shall serve as KTNT Communications, Inc. d/b/a IDC Telecommunications' certificate and should be retained by KTNT Communications, Inc. d/b/a IDC Telecommunications as proof of certification. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.
