BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service  
Commission that the action discussed herein is preliminary in  
nature and will become final unless a person whose interests are  
substantially affected files a petition for a formal proceeding,  
pursuant to Rule 25-22.029, Florida Administrative Code.

Central Communications (Central) an interexchange  
telecommunications carrier (IXC), currently holds certificate of  
public convenience and necessity number 2484, issued by the  
Commission on December 25, 1990, authorizing the provision of

regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years 1995 and 1996. The regulatory assessment fee form was mailed to Central in December, 1994 for the period of January 1, 1995, through December 31, 1995. The regulatory assessment fee form was mailed to Central in December, 1995 for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Central was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was signed for, indicating receipt. Yet, there has been no response, and, to date, Central has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Central's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. Central must comply with these requirements within 5 business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this docket shall be closed. Should Central fail to comply with this Order within 5 business days from the date this Order becomes final, Central shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes Central's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should Central's certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to Central, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing service to Central must contact the Commission at the conclusion of the

response period indicated herein in order to determine if Central's certificate has been canceled.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Central Communications must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within 5 business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that should Central Communications fail to comply with this Order, Central Communications's certificate shall be canceled, and the docket shall be closed. It is further

ORDERED that the cancellation of the certificate and the closing of the docket in no way diminishes Central Communications's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges. It is further

ORDERED that all certificated interexchange telecommunication providers shall discontinue service to Central Communications upon verification of the cancellation of the certificate at the conclusion of the response period set forth in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed upon payment of the fines, and fees, or upon cancellation of the certificate.
