pursuant to Rule 25-22.029, Florida Administrative Code.

National Telecommunications of Florida, Inc. d/b/a NationalTel  
(NationalTel) currently holds certificate of public convenience and  
necessity number 4447 issued by the Commission on June 14, 1996,  
authorizing the provision of alternative local exchange

year 1996. The regulatory assessment fee form was mailed to NationalTel in June, 1996 for the period January 1, 1996 through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. NationalTel was notified of its delinquency on June 3, 1997. The company has been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was signed for, indicating receipt. Yet, there has been no response, and, to date, NationalTel has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel NationalTel's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. NationalTel must comply with these requirements within 5 business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this docket shall be closed. Should NationalTel fail to comply with this Order within 5 business days from the date this Order becomes final, NationalTel shall have its certificate canceled and the docket will be closed. The cancellation of the certificate and the closing of the docket in no way diminishes NationalTel's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should NationalTel's certificate be canceled, all certificated local exchange carriers in the State of Florida are instructed to discontinue service to NationalTel, pursuant to Rule 25-24.805, Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Alternative Local Exchange Service Providers. Any certificated local exchange carriers providing service to NationalTel must contact the Commission at the conclusion of the response period indicated herein in order to determine if NationalTel's certificate has been canceled.
