Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAFs of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the RAFs forms, for the period of January 1, through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for certification receive a copy of our rules governing Alternative Local Exchange Telecommunications service.

Further, the Division of the Commission Clerk & Administrative Services notified our staff that mail addressed to DTK Telecommunications had been returned by the US Postal Service marked "undeliverable." Our staff subsequently called the telephone number for DTK Telecommunications listed in the Master Commission Directory and a recording advised the number had been disconnected. Our staff then called Directory Assistance and was told there was no new listing.

After this docket was established, on November 29, 2001 we received DTK Telecommunications' payment for the 2000 RAFs, along with statutory penalty and interest charges. In addition, DTK Telecommunications provided its updated reporting requirements, offered to contribute \$200 to the State General Revenue Fund, and proposed to pay future RAFs on a timely basis.

We believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. DTK Telecommunications must comply with these requirements within 14 days from the date of issuance of this Order. The contribution should be identified with the docket number and the company name. Upon timely receipt, the contribution will be forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. DTK Telecommunications has waived any objection to the administrative cancellation of its certificate if it does not comply with its settlement agreement. Upon remittance of the \$200 contribution or cancellation of the certificate, this docket shall be closed. We
