NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CANCELLATION OF INTEREXCHANGE TELECOMMUNICATIONS
CERTIFICATE DUE TO CHAPTER 11 BANKRUPTCY

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

American Long Lines, Inc. (American Long Lines) currently holds Certificate of Public Convenience and Necessity No. 4826, issued by the Commission on March 18, 1997, authorizing the provision of Interexchange Telecommunications (IXC) service.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161 (2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing IXC service.

FPSC-COMMISSION CLERK

On June 5, 2001, we received notice that American Long Lines had filed for Chapter 11 bankruptcy protection. On October 25, 2002, we received a letter dated October 21, 2002, from the company's attorney, Mr. Paul C. Besozzi, advising that the US Bankruptcy Court for the Southern District of New York had approved the corporate dissolution and termination of existence of American Long Lines. Mr. Besozzi's letter stated that the company did not have any customers, assets or operations at the time of its termination of existence.

Chapter 11 of Section 109 of the Federal Bankruptcy Code provides for reorganization by business entities. The filing of a bankruptcy petition under Chapter 11 invokes an automatic injunction known as the Automatic Stay, codified in Bankruptcy Code Section 362. Section 362(b)(5) provides that, for governments, the filing of the petition does not operate as a stay "of the enforcement of a judgment, other than a money judgment, obtained in an actual proceeding by a governmental unit to enforce such governmental unit's police or regulatory power." (emphasis added) Thus, it would appear that we are not enjoined from exercising our police powers to protect public health, safety and welfare, but are enjoined from exercising our regulatory authority seeking to collect a debt. However, in this case, the company has requested cancellation of its certificate. Under those circumstances, this Commission is free to do so. We note that the Division of the Commission Clerk and Administrative Services will be notified that the past due RAFs should not be sent to the Comptroller's Office for collection, but that permission for the Commission to write-off the uncollectible amount should be requested.

Accordingly, we find it appropriate to cancel IXC Certificate No. 4826, effective October 25, 2002. If American Long Lines' certificate is canceled in accordance with this Order, American Long Lines shall immediately cease and desist providing IXC services in Florida. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.285, and 364.335, Florida Statutes.
