During the 2003 Regular Session, the Florida Legislature enacted the Tele-Competition Innovation and Infrastructure Enhancement Act (Tele-Competition Act or Act). The Act became effective on May 23, 2003. Part of the new Tele-Competition Act is the new Section 364.164, Florida Statutes, whereby the Legislature established a process by which each incumbent local exchange telecommunications carrier (ILEC) may petition the Commission to reduce its intrastate switched network access rate in a revenue-neutral manner. This matter has been set for hearing on December 10-12, 2003.

On November 19, 2003, Verizon Long Distance filed its Request for Confidential Classification and Motion for Protective Order. is seeks confidential Long Distance states that classification and a protective order for certain information contained in Direct Testimony of John Broten filed in this proceeding. Verizon Long Distance asserts that all the information for which it seeks confidential treatment falls within Florida 364.183(3)(e), which defines the Section confidential information," to business include "proprietary "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information." Verizon Long Distance contends that if competitors were able to acquire this detailed and sensitive information regarding Verizon Long Distance, they could more easily develop entry and marketing strategies to ensure success in competing with Verizon Long Distance. Verizon Long Distance contends that this would afford them an unfair advantage while severely jeopardizing Verizon Long Distance's competitive position. Verizon Long Distance asserts that in a competitive business, any knowledge obtained about a competitor can be used to the detriment of the entity to which it pertains, often in ways that cannot be fully Verizon Long Distance contends that this unfair anticipated. advantage skews the operation of the market, to the ultimate detriment of the telecommunication consumer. Verizon Long Distance states that a detailed justification of the confidentiality of the

information at issue is attached as Attachment A, which is incorporated by reference.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183(3), Florida Statutes, in pertinent part, provides:

term "proprietary confidential business The information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or provides agreement that private information will not be released to the public.

Based on the definition of proprietary confidential business information in Section 364.183(3), Florida Statutes, it appears that the material described herein is proprietary business information in accordance with Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Disclosure of this information would give Verizon Long Distance's competitors an artificial competitive advantage, allowing them to successfully compete against Verizon Long Distance without the usual market trial and error. As such, Verizon Long Distance's Request for Specified Confidential Classification of Document No. 11662-03 is

hereby granted. Verizon Long Distance's request for Protective Order has already been granted by Order No. PSC-03-1268-PCO-TL, issued November 10, 2003, <u>Protective Order Governing Handling of Confidential Information</u>.

Based on the foregoing, it is

ORDERED by Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, that Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance, NYNEX Long Distance Company d/b/a Verizon Enterprise Solutions and Verizon Select Services Inc.'s Request for Specified Confidential Classification of Document No. 11662-03, as set forth in Attachment A, is hereby granted. It is further

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, the confidentiality granted to the material specified herein shall expire eighteen (18) months from the date of the issuance of this Order, in the absence of a renewed request for confidentiality pursuant to Section 364.183, Florida Statutes. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, this 12th Day of December \_\_\_\_\_\_, 2003.

RUDOLPH "RUDY" BRADLEY
