

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Petition to review and cancel, or in the alternative immediately suspend or postpone, BellSouth Telecommunications, Inc.'s PreferredPack Plan tariffs, by Supra Telecommunications and Information Systems, Inc.

DOCKET NO. 040353-TP
ORDER NO. PSC-04-0549-PCO-TP
ISSUED: May 27, 2004

ORDER TO INITIATE EXPEDITED DISCOVERY PROCEDURE

On January 9, 2004, BellSouth Telecommunications, Inc.'s (BellSouth) PreferredPack Plan promotional tariff (Tariff No. T-031414), became effective as filed. On January 2, 2004, three promotional offering tariffs offered in conjunction with the PreferredPack plan became effective: \$100 Cash Back (Tariff No. T-031379), \$25 Gift Card (Tariff No. T-031380), and Line Connection Charge Waiver (Tariff No. T-03 1381). On April 20, 2004, Supra Telecommunications and Information Systems, Inc. filed its Petition to Review and Cancel, or in the Alternative Immediately Suspend or Postpone BellSouth's PreferredPack Plan Tariffs. On May 17, 2004, BellSouth filed its Response and Answer to Supra's Petition.

The promotional tariff at issue is currently effective and because customers may continue to avail themselves of this tariff option while a determination as to its validity is pending before us, I find that it is appropriate in this circumstance to establish an expedited discovery procedure. I issue this Order pursuant to Rule 28-106.211, Florida Administrative Code, with the expectation that it will prevent delay and promote the just, speedy, and inexpensive determination of all aspects of the case.

Based on the foregoing, when discovery requests are served and the respondent intends to object to or ask for clarification of the discovery request, the objection or request for clarification shall be made within five business days of service of the discovery request. Also, discovery responses must be expedited in order to allow parties and Commission staff an adequate opportunity to review the information. Therefore, all discovery responses shall be due 10 calendar days after service of the request, with no additional time for mailing. All discovery requests shall be served by hand delivery, electronic mail, or facsimile with a hard copy to follow by U.S. Mail or hand delivery. Responses to interrogatories, and where practicable production of documents, shall also be served by hand delivery, electronic mail, or facsimile, with a hard copy to follow by U.S. Mail or hand delivery. Pursuant to Rule 28-106.206, Florida Administrative Code, unless subsequently modified by the Prehearing Officer, the following shall apply: interrogatories, including all subparts, shall be limited to 150, and requests for production of documents, including all subparts, shall be limited to 75. In addition, parties are reminded that the procedures for treatment and handling of confidential information are set forth in Rule 25-22.006, Florida Administrative Code.
