DOCKET NO. 031033-EI  
ORDER NO. PSC-04-0913-CFO-EI  
ISSUED: September 20, 2004

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 06483-04)

On June 10, 2004, pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company (Tampa Electric) filed a request for confidential classification of certain information contained in Late-Filed Hearing Exhibit Nos. 85 and 87 of Tampa Electric witness Joann T. Wehle (Document No. 06483-04).

Section 366.093(1), Florida Statutes, provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from [the Public Records Act]." Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), Florida Statutes, provides that proprietary confidential business information includes, but is not limited to "[t]rade secrets" (subsection a); "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" (subsection d); and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information" (subsection e).

Tampa Electric contends that portions of Late-Filed Hearing Exhibit Nos. 85 and 87 of Joann T. Wehle fall within these categories and thus constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Tampa Electric states that this information is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

Tampa Electric requests confidential classification for Late-Filed Exhibit No. 85, Page 2 of 9 through Page 9 of 9, and Late-Filed Exhibit No. 87, Page 2 of 9 through Page 9 of 9. Tampa Electric contends that this information contains contract terms and rates that were paid for transportation services under Tampa Electric's contracts with TECO Transport during the period 1998 through 2003 or that will be paid for transportation services under Tampa Electric's contract with TECO Transport that took effect January 1, 2004. Tampa Electric states that this information is competitive contractual information, the disclosure of which would be harmful to

the position of TECO Transport in negotiating future contracts with other clients. Tampa Electric contends that disclosing this information would also harm Tampa Electric's position in determining rates for future transportation contracts since the providers' bid responses might be influenced if they had knowledge of the previous or current contract rates. According to Tampa Electric, public disclosure of this information would be harmful to TECO Transport's competitive interests and to the ability of Tampa Electric to contract for goods and services on favorable terms.

Upon review, it appears that the above-referenced information contained in Late-Filed Hearing Exhibit Nos. 85 and 87 of Joann T. Wehle satisfy the criteria set forth in Section 366.093(3), Florida Statutes, for classification as proprietary confidential business information and, thus, shall be treated as confidential. The information constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, this information is granted confidential classification.

Pursuant to Section 366.093(4), Florida Statutes, the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. At the conclusion of the 18 month period, the confidential information will no longer be exempt from Section 119.07(1), Florida Statutes, unless Tampa Electric or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Chairman Braulio L. Baez, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 06483-04 is granted. It is further

ORDERED that the information in Document No. 06483-04 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
