In re: Applications for qualified representative status. | DOCKET NO. 070008-OT
ORDER NO. PSC-07-0008-PCO-OT
ISSUED: January 2, 2007

ORDER ESTABLISHING 2007 DOCKET NUMBER

BY THE COMMISSION:

It is our practice at the beginning of each year to establish a generic docket for handling applications requesting that a person be designated as a qualified representative as contemplated in Rule 28-106.06, Florida Administrative Code. This year we establish for that purpose Docket No. 070008-OT, In Re: Applications for Qualified Representative Status.

Any new applications for designation as a qualified representative should be filed in Docket No. 070008-OT. Any pending applications for the new calendar year will be addressed in Docket No. 070008-OT.¹ Orders granting, denying, or otherwise responding to such applications will be issued in this docket as well.

Persons designated as qualified representatives are authorized to appear before the Florida Public Service Commission in any undocketed or docketed matter during the calendar year. At the end of the calendar year, the qualified representative designation expires.² This approach avoids redundant applications for qualified representative designation throughout the year; however, it does require each person seeking to be designated as a qualified representative for the new calendar year to file a new application, irrespective of whether he or she enjoyed that status in the preceding year or years.

Accordingly, it is

ORDERED by the Florida Public Service Commission that beginning January 2, 2007, all applications requesting that a person be designated as a qualified representative for calendar year 2007, as contemplated in Rule 28-106.06, Florida Administrative Code, shall be filed and determined in Docket No. 070008-OT.

¹ On December 12, 2006, we received from Florida Power & Light, three applications for designation as a qualified representative. These were lodged in Docket No. 060008-OT pending establishment of the instant docket.

² This general approach does not preclude our ability in individual cases to designate a person as a qualified representative in a specific docket for more than one year if that is appropriate based on the application.
