NOTICE OF PROPOSED AGENCY ACTION ORDER
CANCELLING COMPETITIVE LOCAL EXCHANGE TELECOMMUNICATIONS
COMPANY CERTIFICATE ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Synergy Networks, Inc. currently holds Certificate No. 8412, issued by this Commission on December 1, 2003, authorizing the provision of competitive local exchange telecommunications service (CLEC). Pursuant to Section 364.336, Florida Statutes, competitive local exchange telecommunications companies must pay a minimum annual Regulatory Assessment Fee if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.820, Florida Administrative Code, provides that a competitive local exchange telecommunications company requesting cancellation of its certificate must state its intent and date to pay the current Regulatory Assessment Fee (RAF).

On January 25, 2008, this Commission received a letter dated January 22, 2008, from Mr. Ken Boyd, Vice President of Finance. The letter requested that the Commission suspend or "freeze" its CLEC status so that it does not have to pay the Regulatory Assessment Fee. On January 28, 2008, our staff e-mailed Mr. Boyd that the Commission does not have a "freeze" status and asked if the company wanted to cancel its certificate. Our staff advised Mr. Boyd that the RAF was applicable and that if the company reapplied in the future, the 2007 RAF, along with accrued late payment charges, and any application fee, would have to be paid at that time.

Mr. Boyd responded that he wished to cancel the company's certificate and that the 2007 RAF would not be paid.

For the reasons described above, we deny Synergy Networks, Inc.'s request for voluntary cancellation of its CLEC certificate. However, we find it appropriate to involuntarily cancel the competitive local exchange telecommunications certificate, effective December 31, 2007, on this Commission's own motion for failure to comply with Rule 25-24.820, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

Since it appears Synergy Networks, Inc. does not currently provide service in Florida and has requested cancellation of its certificate, there would be no purpose in requiring the company to pay a penalty. The cancellation of the CLEC certificate, in no way diminishes the entity's obligation to pay the applicable RAF, including applicable late payment charges. If this Order is not protested, the company's CLEC Certificate No. 8412 shall be cancelled, effective December 31, 2007. If the company pays the RAF, including applicable late payment charges, prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's CLEC certificate shall be voluntary. If the company fails to protest the Order or pay the RAF, including applicable late payment charges, prior to the expiration of the Proposed Agency Action Order, then the company's CLEC certificate shall be cancelled administratively, and the collection of the past due RAF shall be referred to the Florida Department of Financial Services for further collection efforts. If the company's CLEC certificate is cancelled in accordance with this Order, the company shall be required to immediately cease and desist providing competitive local exchange telecommunications service in Florida. This docket shall be closed administratively either upon receipt of the payment of the RAF, including applicable late payment charges, or upon cancellation of the company's CLEC certificate. If Synergy Networks, Inc.'s CLEC certificate is cancelled on this Commission's own motion and it subsequently decides to reapply for a certificate as a telecommunications company, Synergy Networks, Inc. shall be required to first pay any outstanding fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 350.113, 364.336, 364.337, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED that pursuant to Rule 25-24.820, Florida Administrative Code, Synergy Networks, Inc.'s CLEC Certificate No. 8412 is hereby cancelled effective December 31, 2007, on this Commission's own motion for failure to pay the 2007 Regulatory Assessment Fee, pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of the certificate in no way diminishes Synergy Networks, Inc.'s obligation to pay the applicable Regulatory Assessment Fee, including applicable late payment charges. If the company's CLEC certificate is cancelled and the company subsequently decides to reapply for a certificate as a telecommunications company, that company shall be required to first pay any outstanding fees, including accrued statutory late payment charges. It is further

ORDERED that if Synergy Networks, Inc. pays the Regulatory Assessment Fee, including applicable late payment charges, prior to the expiration of the Proposed Agency Action Order, the cancellation of the certificate shall be deemed voluntary. It is further

ORDERED that if Synergy Networks, Inc. does not pay the Regulatory Assessment Fee, including applicable late payment charges, prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fee shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if Synergy Networks, Inc.'s certificate is cancelled in accordance with this Order, Synergy Networks, Inc. shall immediately cease and desist providing competitive local exchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that this docket should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fee, including applicable late payment charges, or upon cancellation of the company's CLEC certificate.

By ORDER of the Florida Public Service Commission this 8th day of May, 2008.

Commission Clerk
