ORDER APPROVING NAME CHANGE

BY THE COMMISSION:

On August 26, 2009, an application was filed on behalf of Pluris Wedgefield, LLC (utility) for acknowledgement of the name change of the utility. The utility was granted Certificate Nos. 404-W and 341-S in 1983.¹ Econ Utilities Corporation was the original owner of the utility. The utility has been transferred three times, including once at the parent level, and the utility's territory has been amended once.² In 1996, we approved the transfer of Econ Utilities Corporation to Wedgefield Utilities, Inc. and, in a separate docket, the utility's territory was amended. In 2006, we approved the transfer of majority organizational control of the utility's parent. In 2009, Wedgefield was transferred to Pluris Wedgefield, LLC.

The application was filed pursuant to Rule 25-30.039, Florida Administrative Code, which provides for changes in name only, with no change in the ownership or control of the utility or its assets. The reason given for the name change is the limited liability company was converted to a corporation. The utility's name has been changed to Pluris Wedgefield, Inc.

A statement is provided in the application by the former sole member of the LLC and current president of Pluris Wedgefield, Inc., attesting that there will be no change in the utility's ownership, control, or service provided to customers. The application includes documentation from the Florida Department of State, Division of Corporations, that the new corporation was registered in Florida effective April 21, 2009. The application contains a copy of the proposed notice to be sent to customers informing them of the name change. The proposed notice has been reviewed and approved by our Commission staff. The closing on the transfer mentioned above will not occur until December or January of 2009, at which time the utility will notice the customers of the new name.
