DOCKET NO. 090462-WS  
ORDER NO. PSC-10-0585B-PAA-WS  
ISSUED: February 9, 2011

SECOND AMENDATORY ORDER

BY THE COMMISSION:

On September 22, 2010, we issued Order No. PSC-10-0585-PAA-WS. The Order granted Utilities, Inc. of Florida's application for rate increase. However, due to a scrivener's error, Schedule No. 4-B for Pasco County, which is attached and incorporated by referenced to the Order, shows the Commission approved base facility charges for 5/8" meters and 1" meters and no gallonage charges. Schedule 4-B for Pasco County shall be amended to include a line under the Multi-Residential section for the 5/8" (Wis Bar)-flat rate customer at a rate of \$28.10 with a four-year rate reduction of \$0.48. Schedule 4-B for Pasco County in Order No. PSC-10-0585-PAA-WS under the Gallonage Charge section for All General Service shall also be amended to included the phase "and Multi Residential." Therefore, Schedule 4-B for Pasco County which is attached and incorporated by referenced to Order No. PSC-10-0585-PAA-WS is amended to reflect the inclusion of a line under the Multi-Residential section for the 5/8" (Wis Bar)-flat rate customer at a rate of \$28.10 with a four-year rate reduction of \$0.48. Schedule 4-B for Pasco County in Order No. PSC-10-0585-PAA-WS under the Gallonage Charge section for All General Service shall also be amended to included the phase "and Multi-Residential."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Schedule 4-B for Pasco County is amended as set forth herein, and as shown attached to this order. It is further

ORDERED that Order No. PSC-10-0585-PAA-WS is reaffirmed in all other respects.

By ORDER of the Florida Public Service Commission this 9th day of February, 2011.
