ORDER AMENDING WATER CERTIFICATE AND  
DECLINING TO INITIATE A SHOW CAUSE PROCEEDING

BY THE COMMISSION:

Background

On September 4, 2009, Neighborhood Utilities, Inc. (Neighborhood or Utility) filed its application for amendment of Certificate No. 430-W to add and delete territory to reflect land areas that were exchanged with Jacksonville Electric Authority (JEA) for the provision of water service. The territory swap was discovered by our staff during a field inspection for the Utility's staff-assisted rate case in Docket No. 090060-WU. The application was not complete when filed and considerable time passed while the Utility filed additional information to complete the minimum filing requirements.

Neighborhood is a Class C utility providing water service to about 430 customers in Duval County. The Utility's 2009 annual report shows gross revenue of \$86,862 and a net operating loss of \$26,254. The Utility's service area is in the St. Johns River Water Management District. We have jurisdiction pursuant to Section 367.045, Florida Statutes (F.S.).

Analysis and Decision

On September 4, 2009, the Utility applied for an amendment of Certificate No. 430-W in Duval County, Florida, based upon a Memorandum of Agreement with JEA from 2003. Vacant lots in Cherokee Cove that were originally in Neighborhood's certificated area will now be served by JEA and 51 lots formerly planned to receive service from JEA will now receive service from Neighborhood. The exchange of lots for service was based upon the ability of Neighborhood and JEA to serve the lots involved with facilities already in place. All the property involved was undeveloped at the time of the exchange.

The application is in compliance with the governing statute, Section 367.045, F.S., and other pertinent statutes and administrative rules concerning applications for amendment of certificate. The application contains proof of compliance with the noticing provisions in Rule 25-30.030, Florida Administrative Code, as well as noticing to the lot owners, not yet customers, who will now be in the Neighborhood service area. No objections were received, and the time for such has expired. The Utility's water treatment plant has sufficient capacity to serve the amended area.

We believe it is in the public interest to approve the application filed by Neighborhood to amend its water certificate to include new territory and delete other territory as shown on Attachment A. This Order, including Attachments A and B, shall serve as Neighborhood's amended certificate and shall be retained by the Utility. The Utility shall charge the customers in the amended territory the rates and charges contained in its current tariff until authorized to be changed by us.

As stated above, Neighborhood is serving customers outside of its certificated territory. Section 367.045(2), F.S., states, in pertinent part: "A utility may not delete or extend its service outside the area described in its certificate of authorization until it has obtained an amended certificate of authorization from the [C]ommission . . ." If a utility is found to have knowingly refused to comply with, or to have willfully violated, any provision of Chapter 367, F.S., we are authorized by Section 367.161(2), F.S., to assess a penalty of not more than \$5,000 for each offense. By serving customers outside of its certificated territory without obtaining an amended certificate of authorization, the Utility's act was "willful" within the meaning of Section 367.161, F.S. In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL, In re: Investigation Into The Proper Application of Rule 25-14.003, Florida Administrative Code, Relating To Tax Savings Refund For 1988 and 1989 For GTE Florida, Inc., having found that the company had not intended to violate the rule, we nevertheless found it appropriate to order it to show cause why it should not be fined, stating that "[i]n our view, 'willful' implies an intent to do an act, and this is distinct from an intent to violate a statute or rule."

Although Neighborhood's failure to obtain an amended certificate of authorization from us for its water system in Duval County prior to serving outside of its certificated area is an apparent violation of Section 367.045(2), F.S., we do not believe that the violation of Section 367.045, F.S., rises in these circumstances to the level which warrants the initiation of a show cause proceeding. See also Order No. PSC-99-2390-FOF-WU, issued on December 7, 1999, in Docket No. 980543-WU, In re: Application for amendment of Certificate No. 363-W to add territory in Marion County by Sunshine Utilities of Central Florida, Inc. (finding that the utility's apparent violation of Section 367.045, F.S., did not warrant the initiation of a show cause proceeding). In its application, the Utility explained that 51 lots were swapped with JEA. When our staff brought to the Utility's attention that it was serving outside of its certificated area, Neighborhood began preparing the instant application to add the new territory to its service area and delete the area that JEA will serve. Therefore, we decline to order Neighborhood to show cause why it should not be fined for failure to obtain an amended certificate of authorization prior to serving outside of its certificated territory.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Neighborhood Utilities, Inc.'s Certificate No. 430-W is hereby amended to add and delete territory as shown on Attachment A. It is further

ORDERED that this Order, including Attachments A and B, shall serve as Neighborhood Utilities, Inc.'s amended certificate and shall be retained by the Utility. It is further

ORDERED that the Neighborhood Utilities, Inc. shall charge the customers in the amended territory the rates and charges contained in its current tariff until authorized to be changed. It is further

ORDERED that we decline to initiate a show cause proceeding, as set forth herein. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 28th day of February, 2011.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
