

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of transportation service agreement with the Florida Division of Chesapeake Utilities Corporation by Peninsula Pipeline Company, Inc.

DOCKET NO. 150031-GU  
ORDER NO. PSC-15-0162-CFO-GU  
ISSUED: April 30, 2015

ORDER GRANTING PENINSULA PIPELINE COMPANY, INC.'S REQUEST FOR  
CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 00338-15)

On January 16, 2015, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), the Peninsula Pipeline Company, Inc. (Peninsula) filed a Request for Confidential Classification (Request) of certain information provided in Exhibit A to a firm transportation service agreement between Peninsula and Florida Division of Chesapeake Utilities Corporation (Document No. 00338-15). This request was filed in Docket No. 150031-GU.

Request for Confidential Classification

Peninsula contends that Exhibit A to a firm transportation service agreement between Peninsula and Florida Division of Chesapeake Utilities Corporation contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes.

Peninsula contends that the information is proprietary and confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by Peninsula as private, and its confidentiality has been maintained. This information includes bids and other contractual data. Disclosure of this information would violate nondisclosure provisions of Peninsula's contracts with certain vendors and impair the efforts of Peninsula or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), F.S.

In addition, Peninsula contends that this information relates to competitive interests, the disclosure of which would impair the competitive business of Peninsula, its affiliates, or its vendors. Disclosure of this information would place Peninsula at a competitive disadvantage when coupled with other information that is publically available. Such information is protected pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of

the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning contractual data and competitive interests, the disclosure of which would impair the competitive business of Peninsula or its affiliates or its vendors. Thus, the information identified in Document No. 00338-15 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Peninsula or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Ronald A. Brisé, as Prehearing Officer, that Peninsula Pipeline Company, Inc's Request for Confidential Classification of Document No. 00338-15 is granted. It is further

ORDERED that the information in Document No. 00338-15, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 30th day of April, 2015.
