ORDER SUSPENDING TARIFF

BY THE COMMISSION:

On April 1, 2016, Florida Power & Light Company (FPL) filed a petition for approval of 2016 revisions to its underground residential and commercial differential tariffs and associated charges. These tariffs represent the additional costs FPL incurs to provide underground service in place of overhead service. We have jurisdiction over this matter pursuant to Sections 366.03, 366.04, 366.05, and 366.06, Florida Statutes (F.S.).

We find that additional time is needed for Commission staff to review the petition and gather all pertinent information in order to present this Commission with an informed recommendation on the tariff proposals.

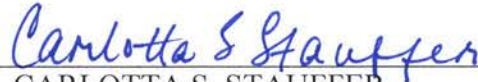

We find that the reason stated above is good cause consistent with the requirements of Section 366.06(3), F.S. Therefore approval of this tariff shall be suspended.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's 2016 revisions to its underground residential and commercial differential tariffs and associated charges shall be suspended. It is further

ORDERED that this docket shall remain open pending this Commission's final action on proposed tariffs.

By ORDER of the Florida Public Service Commission this 23rd day of May, 2016.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
