

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for limited proceeding to approve first solar base rate adjustment (SoBRA), effective September 1, 2018, Tampa Electric Company.

DOCKET NO. 20170260-EI  
ORDER NO. PSC-2018-0227-CFO-EI  
ISSUED: May 4, 2018

ORDER GRANTING TAMPA ELECTRIC COMPANY'S REQUEST  
FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 00931-2018)

On February 2, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed a request for Confidential Classification of portions of its response to Staff's First Data Request No. 10 (Document No. 00931-2018). TECO's responses to this data request contain proprietary business information that includes fuel price forecasts which the Company obtained from a third-party provider.

Request for Confidential Classification

TECO contends that portions of the information contained in TECO's responses to Staff's First Data Request No. 10 (Document No. 00931-2018) contain proprietary business information that includes fuel price forecasts which the Company obtained from a third-party provider, ICF International, which constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. TECO asserts that this information is intended to be and is treated by TECO as private and has not been publicly disclosed. TECO argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the Company as private, in that disclosure of the information would cause harm to the Company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The amount and price of wholesale electricity purchased from third parties by TECO, if disclosed, could be used by suppliers to negotiate more favorable terms for wholesale electricity to the detriment of TECO's ratepayers. Thus, the information identified in Document No. 00931-2018 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., confidential classification may only extend for up to 18 months from the issuance of an Order granting confidential classification unless "the Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period." We find that the information identified in Document No. 00931-2018 shall be granted confidential classification for a period of 18 months from the issuance of this Order.

Based on the foregoing, it is hereby

ORDERED by Commissioner Donald J. Polmann, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 0929-2018, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 00931-2018 for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Donald J. Polmann, as Prehearing Officer, this 4th day of May, 2018.

  
DONALD J. POLMANN, Ph.D., P.E.

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
