In re: Joint petition by Peoples Gas System,  
Inc. and Florida Public Utilities Company for  
approval of special contract.

DOCKET NO. 20240094-GU  
ORDER NO. PSC-2024-0240-CFO-GU  
ISSUED: July 15, 2024

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 06922-2024)

On June 25, 2024, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Peoples Gas System, Inc. (PGS) filed a Request for Confidential Classification (Request) of certain information contained in its response to Staff's First Data Request No. 2, a Gas Transportation Service Agreement with Florida Public Utilities Company (FPUC) (Document No. 06922-2024).

Request for Confidential Classification

PGS contends that the information contained in its Gas Transportation Service Agreement with FPUC, more specifically described in Exhibit A to its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. PGS asserts that this information is intended to be and is treated by PGS as private and has not been publicly disclosed.

The information contained in the Gas Transportation Service Agreement consists of the Total Maximum Daily Transportation Quantity, Maximum Daily Transportation Quantity, Total Monthly Reservation Charge, and Unauthorized Use rate. PGS contends the disclosure of this information would impair PGS' ability to execute business transactions on favorable terms for the benefit of their customers. PGS argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The contractual data, if disclosed, could adversely impact PGS' competitive interests as well as the competitive interests of its vendors. Thus, the information identified in Document No. 06922-2024, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless the Parties or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gabriella Passidomo, as Prehearing Officer, that Peoples Gas Systems, Inc.'s Request for Confidential Classification of Document No. 06922-2024, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 06922-2024, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gabriella Passidomo, as Prehearing Officer, this 15th day of July, 2024.
