ORDER ACKNOWLEDGING RESOLUTION DECLARING CITRUS COUNTY  
SUBJECT TO THE PROVISIONS OF CHAPTER 367, FLORIDA STATUTES

BY THE COMMISSION:

Background

On May 28, 2024, the Board of County Commissioners of Citrus County (County) adopted Resolution No. 2024-040 (Resolution, Attachment A), transferring regulation of the privately-owned, for profit water and wastewater utilities in the County to the Florida Public Service Commission. Effective upon the adoption of the resolution, all non-exempt water and wastewater systems in the County became subject to the provisions of Chapter 367, Florida Statutes (F.S.). Therefore, the effective date of the transfer of jurisdiction is May 28, 2024. This order acknowledges that Resolution. We have jurisdiction pursuant to Section 367.171, F.S.

Decision

On May 28, 2024, the Board of County Commissioners of Citrus County passed and adopted Resolution No. 2024-040, which transfers jurisdiction over the County's privately-owned water and wastewater utilities to us. In addition, our staff has contacted the County requesting information on each utility's current rates, charges, and territory served. As part of its response, the County provided a list of its 13 privately-owned water and wastewater utilities, which is appended to this order as Attachment B. Since they are now subject to Chapter 367, F.S., each utility must continue to collect the rates and charges for water and wastewater service which were being collected on May 28, 2024, until changed by us.

Our staff has contacted the Florida Department of Environment Protection (DEP) to advise it of the Resolution and to obtain a list of all privately-owned water and wastewater facilities in Citrus County which DEP monitors for environmental compliance. The utilities

identified by the County and DEP will receive a letter from our staff advising them of the transfer of jurisdiction and providing them with information to determine whether or not they are exempt from our regulation, pursuant to Section 367.022, F.S.

Entities which are not exempt from our regulation will receive instruction for filing an application for grandfather certificates. The resulting applications will be processed in individual dockets. These applicants will also be advised of their responsibility to file an annual report for 2024, pursuant to Rule 25-30.110, Florida Administrative Code, as well as their responsibility to remit Annual Regulatory Assessment Fees (RAFs). The applicants will also be advised of their right to file for a pass-through of RAFs should they not be currently collecting RAFs, or if they are collecting a lesser amount than they would be paying to the Commission.

We acknowledge Resolution No. 2024-040 by the Board of County Commissioners of Citrus County, effective May 28, 2024. All non-exempt, privately-owned water and wastewater utilities in Citrus County shall be directed to comply with the provisions of Chapter 367, F.S.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we acknowledge Resolution No. 2024-040 by the Board of County Commissioners of Citrus County, effective May 28, 2024. All non-exempt, privately-owned water and wastewater utilities in Citrus County shall be directed to comply with the provisions of Chapter 367, F.S. It is further

ORDERED that this docket shall remain open to process letters to water and wastewater operators and their subsequent responses. Upon our staff's verification that the final response from a water or wastewater system operator affirming exemption status has been received, and that no further action is necessary, this docket shall be closed administratively.

By ORDER of the Florida Public Service Commission this 25th day of July, 2024.
