PRICE LIST FORMAT SHEET

- A. Page Numbering. Page numbers appear in the upper-right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Price List. When a new page is added, the page appears as a decimal. For example, a new page added between pages 34 and 35 would be 34. 1.
- B. Page Revision Numbers. Revision numbers also appear in the upper-right corner of the page. These numbers are used to determine the most current page version on file with the Florida Public Service Commission. For example, the 4th revised Page 34 cancels the third revised Page 34. Because of deferrals, notice periods etc., the most current page number on file with the Commission is not always the Price List page in effect. Subscriber should consult the check page for the page currently in effect.
- C. Paragraph Numbering Sequence. There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.
- 2.
 - 2.1.
 - 2.1.1.
 - 2. 1. 1.A.
 - 2.1. 1. A. 1.
 - 2.1. 1. A. 1. (a)
 - 2.1.1.A.1.(a).I
 - 2.1. 1 A. 1 (a). 1. (i)
 - 2.1. 1 .A. 1.(a).1 (i) (1)
- D. Check List of Effective Pages. When a Price List filing is made with the Commission, an updated Check List of Effective Pages ("Check List") accompanies the Price List filing. The Check List lists the pages contained in the Price List, with a cross reference to the current revision number. When new pages are added, the Check List is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on the Check List if these are the only changes made to it (i.e., the format, etc.). The subscriber should refer to the latest Check List to find out if a particular page is the most current page on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of the company

2.1.1 Obligation to Provide Service

The Company shall exercise its best efforts to provide Services to Subscribers pursuant to the terms and conditions of this Price List. The company shall exercise reasonable efforts to make such Services available for Subscribers' use on either the installation date set forth in a Service Order (or, if no date is specified) as soon as practicable after execution of a Service Order, subject to Customer's compliance with Regulations. In addition to the Service Order, Customer shall also execute such other documents as the Company may reasonably require. In the event of a conflict or inconsistency between (i) the terms of a Service Order (or of any other document executed by the Customer) and (ii) those of this Price List, the latter shall govern.

2.1.2 Conditions to Company's Obligations

The obligations of the company to provide services are subject to the following: (i) availability, procurement, construction, and maintenance of facilities required to meet the Service Order; (ii) the provision of Services to the Company for Resale by the Underlying Carrier; (iii) interconnection to Other Providers' services or facilities as required; (iv) the quality of service provided to the company's end users will be equal to that received from the Company's underlying carrier; and (v) any applicable Credit Limit.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.2 Responsibility and Use

2.2.1 Services may be used by Customer or Subscriber for any lawful purpose, twenty four (24) hours per day, seven (7) days per week, subject to the terms and conditions set forth herein and in any applicable Service Order. Customer is solely responsible for (i) prevention of unauthorized, unlawful or fraudulent, use of or access to Services, which use or access is expressly prohibited; and (ii) administration and non-disclosure of any Authorization Codes provided by Company to Customer.

2.2.2 The Customer has no property right in the telephone number or any other call number designation associated with the Company's Services. The Company may change such numbers, or the central office code designation associated with such numbers, or both, assigned to the Customer, whenever the Company, in its sole discretion, deems it necessary to do so in the conduct of its business.

2.3 Transmission

The Services are suitable for the transmission of voice, data, or other communications only to the limited extent set forth in the Price List(s).

2.4 Call blocking

Notwithstanding any other provision of this Price List, the Company may block calls which are (i) made to certain countries, cities, or central office ("NXX") exchanges, or (ii) use certain Authorization Codes, as the Company, in its sole discretion, deems reasonably necessary to prevent unlawful or fraudulent use of Services.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.9 Non-routine maintenance and installation

At the Customer's request, the Company will perform installation or maintenance on weekends or times other than during normal business hours; provided, however, customer may be assessed reasonable, additional charges based on the Company's actually incurred labor, material or other costs for such non-routine installation or maintenance. Said non-routine maintenance and installation will be subject to availability to Company by contract providers.

2.10 Interruption

The Company, without incurring any liability whatsoever, may make Scheduled Interruption at any time (i) to ensure compliance by the Customer or Subscriber with Regulations (including without limitation the provisions of this Price List), (ii) to ensure proper installation and operation of the Customer's and the Company's equipment and facilities, (iii) to prevent fraudulent use of or access to the Services, or (iv) to perform any other maintenance, testing or inspection reasonably required for the provision of Services hereunder.

2.11 Service commencement and acceptance

Billing for Services will commence as of the Service Commencement date. The Company shall notify the Customer when Services ordered pursuant to an accepted Service Order are ready for use. Customer may refuse to accept such Services only if such Services fail to substantially comply with the specifications (if any) therefore set forth in the Service Order or in this Price List.

2.12 Minimum Service Period

The Minimum Service Period ("MSP") will be for the term specified in the applicable Service Order, which term must be no less than thirty (30) days. Except as otherwise provided in the Service Order, (i) this MSP will automatically renew for subsequent terms of equal duration, and (ii) either the Company or the Customer may elect not to renew any MSP by written notice to the other no later than thirty (30) days prior to the expiration date of said MSP.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.24 Indemnification

Subject to the limitations of liability set forth in Section 2.22 hereof, the Company and the Customer shall defend, indemnify, and hold each other harmless from and against any, and all actions, claims, judgments, damages, demands, liabilities, and expenses, including without limitation reasonable attorney's fees, resulting from Injury to or death of any person (including Injury to or death of their employees) or from the loss of or damage to tangible real or tangible personal property or to the environment, to the extent that such Injury, death, loss or damage was proximately caused by any negligent act or omission on the part of the party from whom indemnity is sought, its agents, employees, subcontractors or assignees, in connection with use of the Services. The indemnifying party under this Section 2.24 shall defend the other at the other's request against any such action, liability, claim or demand. The party seeking indemnification under this Section 2.24 must notify the other promptly of written claims or demands for which the indemnifying party is responsible hereunder. The Company and the Customer, as the case may be, shall cooperate fully with the other in the course of such indemnification, and the indemnifying party shall control such defense and the right to litigate, settle, appeal (provided it pays the cost of any required appeal bond), compromise or otherwise deal with any such claim or resulting judgment, provided that such settlement, compromise or other resolution of said claim does not result in any liability to the indemnified party.

SECTION 2 - RULES AND REGULATIONS (CONT'D)

2.26 Credits and Credit Allowances

2.26.1 Credits ("Credit(s)") to the Customer's fixed charges, if any, for Interruptions (other than Scheduled Interruptions or Interruptions caused by Other Providers for which a Credit Allowance is due the Company as described in Section 2.26.2 hereof) which (i) exceed in the aggregate twenty-four (24) hours per month, (ii) are directly caused by the Company, and (iii) are not due to the negligence or willful misconduct of the Subscriber, its employees, subcontractors, agents, or assignees, will be applied to Customer's account with the Company. Such Credits are to be calculated by multiplying the monthly recurring rate (if any) for the affected Service by the ratio that the number of hours the Interruption bears to 720 hours. (For the purpose of this computation, each month is deemed to leave 720 hours.) An Interruption is measured from the time the Company detects, or the Customer notifies the Company of, its occurrence until such time as the Interruption is cured. Each Interruption is to be considered separately for the purposes of this calculation and is to be rounded to the nearest hour.

2.26.2 In the event of an Interruption caused by Other Providers for which a credit or allowance ("Credit Allowance") becomes due to the Company, the Company shall apply such Credit Allowance to Customer's account, less an administration fee of twenty dollars (\$20.00), subject to the Company's collection of such Credit Allowance from the Underlying Carrier obligated to provide same. In no event will the Company be obligated to credit Customer any amounts in excess of any Credit Allowance allocable to Customer's Interruption(s) which Company receives from the Underlying Carrier. Any other provision of this Section 2.26 notwithstanding, Company will have no obligation to apply any credit to Customer's account for interruptions caused by an Underlying Carrier for which no Credit Allowance is due to the Company.

Call Block

The Subscriber may block incoming telephone calls from unwanted calls by dialing a two digit code.

Call Forwarding

The Subscriber may direct incoming calls to the Customer's telephone number to be routed to a Subscriber-defined telephone number.

Call Forwarding if Busy

Call Forwarding Busy Line this feature automatically forwards calls to a preselected telephone number on a different premise when the called telephone number is busy. May be used to forward calls in connection with Voice Message Service.

Call Forwarding if No Answer with Ring Control

Call Forwarding if no answer with ring control automatically routes calls unanswered after a specified number of rings. Change specifications - You can change the number of rings from any touch-tone phone.

Call Forwarding if No Answer

Call Forward No Answer redirects your incoming calls to another phone number if your line goes unanswered.

Call Forwarding with Variable

Call Forwarding Variable provides the ability to have incoming calls forwarded to a different telephone number within or outside the local calling area.

Call Forwarding – Remote

Remote Call Forwarding provides the ability to have the users telephone calls forwarded to a different telephone number from any touchtone phone, just by dialing the access code and the number to be forwarded to.

3.2 Local Exchange Services (Cont'd)

3.1.8 Optional Feature Descriptions (cont'd)

Caller ID

The Subscriber may view on a display unit the telephone number and name of incoming telephone calls.

Caller ID – Name and Number

Displays the telephone number of the calling party as well as the listing associated with the calling party's telephone number in most cases.

Caller ID – on Call Waiting

Caller ID on Call Waiting displays the number (and optionally the name) of an incoming caller when the user is already on the phone. Because it indicates visually that a new call has arrived, it serves as a supplement to Call Waiting. This is a useful feature for people with sufficient hearing loss that the usual Call Waiting tone is inaudible.

Enhanced Caller ID – with Automatic Call Return

Enhanced Caller ID uses Caller ID Deluxe plus Call Waiting to display the name and number of another call coming in while you are already on the line.

Caller ID with Call Waiting Deluxe Package (Residential Customers only)

Caller ID-Deluxe service allows the subscriber to view the calling party's name, telephone number, date and time. The calling information is delivered between the first and second ringing cycle of the call

Call Return

The Subscriber may return the last call to the Customer's telephone number by dialing a one or two-digit code.

Call Selector

Call Selector provides a distinctive ringing pattern (short, long, short), for up to six specific numbers on a screening list.

3.1.8 Optional Feature Descriptions (Cont'd)

Call Trace

This service permits the tracing of the last call received and holds the information for an authorized law enforcement agency.

Call Waiting

A tone signals the Subscriber to indicate that another call is waiting. The Subscriber can answer the second call by flashing the switchhook or by hanging up the phone.

Call Waiting Deluxe

Call Waiting Deluxe is a feature that provides a beep to alert another call is waiting. Allows the waiting call to be answered without disconnecting from the existing call. Allows switching between the calls whenever desired.

Privacy Director (a Set Up Fee will be applied to Residential Customers)

Privacy Manager intercepts unidentified calls and requires those callers to identify themselves before your phone rings.

Remote Auto Attendant (available to Business Customers only)

An Auto Attendant or virtual receptionist removes the need for a live person to answer and direct your incoming calls. This is one of the most important features of a virtual PBX phone system.

Repeat Dialing

Repeat Dialing calls back the last number you dialed, alerts you, and then connects you when the line becomes open. If the number is busy, Repeat Dialing will redial that number every 60 seconds for up to 30 minutes.

Ring Master

RingMaster service enables two or three telephone numbers to share one line. A unique ringing pattern is provided for each of the additional numbers. This allows a customer to determine prior to answering a call, which number the calling party has dialed.

Three Way Calling

The Subscriber may sequentially call up to two other Customers' telephone numbers and add the calls together making a three way call.

Three Way Calling with Transfer Capability

3-Way Call Transfer allows the subscriber to add a third party to an existing call. With 3-Way Call Transfer, a subscriber can set up a 3-way call and then disconnect, allowing the remaining parties to continue the conversation.

Unpublished Number

The Customer may refuse a listing of its name, street address, and telephone number in the telephone directory published by the dominant exchange service provider in the customer's exchange area.

Voice Mail

The Subscriber will have a private voice mail messaging system which will allow them to create a personal greeting, play messages and save or delete messages. Voice mail allows for up to 60 messages, of a maximum length of 5 minutes, that can be held for up to thirty (30) days.

SECTION 3 - DESCRIPTION OF SERVICE (CONT'D)

3.2 Directory Listing Service

- 3.2.1 The Company provides the Customer a single directory listing consisting of the Customer's name, Customer's street address, and Customer's telephone number which is designated as the Customer's main billing number, in the telephone directory published by the dominant exchange service provider in the Customer's exchange area.
- 3.2.2 The Company may limit the length of any listing in the directory by the use of abbreviations when in its sole discretion, the clearness of the listing or the identification of the Customer is not impaired thereby.
- 3.2.3 The Company may, in its sole discretion, refuse a listing (i) that does not constitute Customer's legally authorized or adopted name, (ii) that contains obscenities in the name, (iii) that is likely to mislead or deceive calling persons as to the identify of the listed party, (iv) that is a contrived name used for advertising purposes or used to secure a preferential position in the directory, or (v) that is more elaborate than reasonably necessary to identify the listed party. The company will notify the Customer prior to withdrawing any listing which is found to be in violation of this subpart.
- 3.2.4 In order for listings to appear in a directory, a Customer must furnish the listing to the Company in time to meet the directory publishing schedule.
