6. BUSINESS SERVICES (Continued)6.1 Message Telecommunications Services (MTS) (Continued)6.1.3 Voice Solutions (Continued)

A Voice Solutions customer must commit to one of the following minimum annual commitment levels of contributory usage charges: **(1) \$1,500, (2) \$3,000, (3) \$6,000, (4) \$12,000, (5) \$36,000 or (6) \$60,000.** Voice Solutions is available on a one-year, two-year or three-year basis. Contributory usage charges (calculated prior to the application of any discounts) are aggregated across outbound, toll free, switched data (inbound and outbound), FONCARD, including all calling options; all locations and all jurisdictions (intrastate, interstate and international) in order to meet the minimum annual commitment level.

(N)(T)  
(T)

The Company reserves the right, after the conclusion of the first three billing months of the Voice Solutions customer's contract, to move the customer to a lower commitment level that is more directly comparable to the customer's current usage.

Voice Solutions customers terminating all Voice Solutions services prior to fulfilling their term commitment will be assessed a termination liability in an amount equal to the underutilized portion of the MAC plus the full MAC for any remaining 12 month periods in their term plan agreement. The termination liability will be billed in one lump sum. Customers will not incur this termination liability for their former term plan commitment if they request a new MAC equal to or greater than the previous level and agree to sign a new term plan agreement for a period equal to or greater than the term of their current plan. The customer will, however, be assessed the termination liability if they terminate all Voice Solutions service prior to fulfilling their new term commitments.
