INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF

6. BUSINESS SERVICES

6.1 Message Telecommunications Services (MTS)

Message Telecommunications Services, except for Business Sense, are add-ons to the Company’s interstate offering and accordingly, Customers must subscribe to Message Telecommunications Services for both the interstate and intrastate long distance service. These services are available only through Embarq LOC to Embarq LOC and the Company’s competitive local exchange service business Customers who have selected the Company as their Primary Interexchange Carrier. Applicable interstate rates are located in the Company’s interstate Business Schedule located at www2.embarq.com/tariffs.

Operator Services and Directory Assistance are available with all services under the terms and conditions specified in Section 7 of this Tariff. Calls placed using Operator Services are charged at the applicable rates for those services in lieu of the rates specified herein, unless otherwise specified in the rates section for a particular service.

Toll Free Service is available with Message Telecommunications Services. The Toll Free Service rates in Section 7.2 apply unless specified otherwise for a particular service.

6.1.1 Solutions Service

A Customer’s phone line may not be classified as a “residential,” “public,” or “semi-public” line or in housing associated with educational institutions.

The term “Dial-1” does not include: 1) calls which are pay-for-use, including but not limited to calls to 900, 976, 555 and 700 numbers, 2) calls to Directory Assistance, 3) operator service calls, including emergency interrupt and intercept call completion, 4) usage from multi-party conference calls, and 5) inbound toll free service calls.

If the Company determines the service is not being used for business service or in any other way violates the restrictions of this service, the Subscriber will be ineligible for the service and the Company may terminate the Customer’s account.

The Solutions Service rates will apply as long as the Customer remains an Embarq Communications, Inc. and an Embarq LOC Customer and subscribes to all of the qualifying services. Customers who discontinue any or all of the qualifying services will no longer be eligible to subscribe to a Solutions Service and will be switched, upon notice, to Business Sense as set forth in Section 6.1.2 of this Tariff.

No international usage can be applied to the block minutes. The Company will charge Customers for any usage in excess of the block minutes (overage minutes) selected at the rates set forth herein. Block minutes that have not been used at the end of Customer's billing cycle will not carry over to the next month.

The following additional Block of Time for Small Business service is available but will not contribute to the block of minutes: Switched Data Service ("SDS").

The Customer may elect to have employee usage at satellite locations be subscribed to Block of Time for Small Business under the Customer's account via Consolidated Invoicing. No more than ten satellite locations' (e.g., customer's employees' homes) usage can be subscribed under the Customer's account. These satellite locations will receive the applicable per minute rates, including block overage rates, associated with Block of Time for Small Business. The Customer will be financially responsible for the satellite locations' Block of Time for Small Business charges.

Block of Time for MultiLine Bundle offers business customers a block of minutes for a flat monthly fee. This block of minutes can be used for direct dial (Dial-1) outbound long distance voice services in the interstate and intrastate jurisdictions. Block minutes cannot be applied to Operator, Switched Data Service ("SDS") or international usage.

Each line subscribed to Block of Time for MultiLine Bundle must be subscribed to Embarq LOC or Company local exchange service. Block of Time for MultiLine Bundle minutes may be shared among local exchange service lines at a single location that are billed under a single account. Customers may subscribe to multiple Block of Time for MultiLine Bundle plans at a single location; however, each line at a location may only be associated with one block of minutes (i.e., block minutes may not be combined). A separate monthly recurring charge is applicable for each block of minutes.

A per minute overage rate applies for all usage in excess of the block minutes. Block minutes that have not been used at the end of the Customer's billing cycle will not carry over to the next month.

Customers who discontinue the qualifying local exchange service for any lines subscribed to Block of Time for MultiLine Bundle will no longer be eligible to subscribe to the Block of Time for MultiLine Bundle and will be switched, upon notice, to Block of Time for Small Business as set forth in Section 6.1.1.D. of this Schedule.

Block of Time for Integrated Service offers business customers a block of minutes that can be used for direct dial outbound interstate and intrastate long distance services. Block minutes cannot be applied to Toll Free Service, Operator, Directory Assistance, Switched Data Service ("SDS") or international usage. Each Customer may purchase only one block of minutes for each qualifying local service. Customers must also subscribe to companion interstate service.

To be eligible for Block of Time for Integrated Service, the Customer must subscribe to one of the following Embarq LOC or Company-provided services: (1) Custom Access Solutions, or (2) EMBARQ Smart IP Bundle.

Eligible customers may subscribe to a block of 2,000, 4,000, 6,000 8,000 or 10,000 minutes. A per minute overage rate applies for all usage in excess of the block minutes. Block minutes that have not been used at the end of the Customer's billing cycle will not carry over to the next month.

Toll Free Service is available with this product. A separate monthly recurring charge for Toll Free Service applies **at the rates specified in this section.**

(T)

For EMBARQ Smart IP Bundle (ESIP), one block of minutes must be purchased per qualifying ESIP physical location. All calls which contribute toward the block of time must originate from the ESIP physical location (no off-premise originated calls can be routed through the qualifying physical location).

For Custom Access Solutions, minutes may be shared among voice channels within a T-1 facility (up to 24 voice channels), at a single location that are billed under a single account. A separate monthly recurring charge will apply for each T-1 facility subscribed to Block of Time for Integrated Service, whether at the same or different locations.

The Block of Time for Integrated Service rates will apply as long as the Customer subscribes to a qualifying service. Customers who discontinue the qualifying service(s) will no longer be eligible to subscribe to the Block of Time for Integrated Service and will be switched, upon notice, to Block of Time for Small Business as set forth in Section 6.1.1.D. of this Tariff.
