Ms. Beth W. Salak, Director
Division of Competitive Markets and Enforcement
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Dear Ms. Salak:

Attached are revised tariff pages filed to become part of the Verizon Florida LLC General Services Tariff.

A12. Central Office Non-Transport Service Offerings
7th Revised Page 7
1st revised Page 31

The purpose of this tariff filing is to add language to clarify the number of customer lines required for Centranet^R service.

If you require additional information, please call Carlton Ball at (813) 483-2529.

Sincerely,

/s David M. Christian

A12. CENTRAL OFFICE NON-TRANSPORT SERVICE OFFERINGS

A12.6 CentraNet[®] Service/Digital (ISDN) CentraNet[®] Service (Continued)

.2 Regulations (Continued)

- k. CentraNet[®] Service is not available for Vacation Service.
- l. The normal minimum service period, as specified in Section A2 of this tariff, will be applicable to CentraNet[®] systems not under contract.
- m. (Deleted)
- n. Directory Listings will be furnished subject to the rates and regulations specified in Section A6 of this Tariff. Two primary directory numbers (DNs) are included with Digital (ISDN) CentraNet[®] Service, one for each channel. If an additional DN is required on either channel, an additional number charge as specified in A12.6.9c.(6.) shall apply for each additional number.
- o. The number of simultaneous exchange and toll network calls to and from Main Stations and attendant positions of a CentraNet[®] and/or Digital (ISDN) CentraNet[®] system are limited by the number of Network Access Registers subscribed to by the customer. In addition, where a CentraNet[®] system is located within an airport telephone service area, telecommunications-type calls between stations of the CentraNet[®] system and stations of other airport-located CentraNet[®] systems or eligible stations served by airport telephone service are also limited by the number of Network Access Registers subscribed to by the customer. Each Network Access Register may be arranged for two-way, one-way incoming, or one-way outgoing operation depending upon the option of the customer at the time the Network Access Register is installed. When a change in the type of operation is requested by the customer, the appropriate Service Charges as specified in Section A4 of this Tariff apply per Network Access Register affected. The Central Office Line Connection Charge is not applicable.

Access to the exchange network for Digital (ISDN) CentraNet[®] voice calls is provided via a Network Access Register (NAR) as specified in Section A3.13. Each business system will have, at a minimum, one (1) NAR. Access to the exchange network for outgoing Digital (ISDN) CentraNet[®] data calls does not require NARs.
- p. Service charges, as specified in Section A4 of this Tariff, apply to CentraNet[®] systems except as provided in A12.6.6 of this Tariff.
- q. CentraNet[®] nonrecurring charges are due on initial installation or subsequent additions. The Central Office Line Connection and specific nonrecurring charges associated with CentraNet[®] Service lines, Network Access Registers (NARs), Feature Packages, and/or Optional Features will not apply on initial installs of contracted service, however the Network Access Establishment Charge shall be applicable.
- r. If the CentraNet[®] subscriber elects a Message Rate Service option, Message Rate Service usage charges specified in Section A3 are applicable on calls to locations outside the subscriber's CentraNet[®] system in addition to rates and charges in this and other tariff sections for CentraNet[®] service and other associated services. Usage charges are not applicable on calls originated and terminated within the same CentraNet[®] system.
- s. A minimum of two (2) CentraNet[®] Service lines is required for the first system established per customer within a local calling area. If the CentraNet[®] system falls below two lines it will no longer be considered a CentraNet[®] system. The remaining line will be converted to an individual business line with no features. All existing tariff rules, regulations, rates and charges associated with the conversion will apply. (N)
(N)
(N)
- t. Digital (ISDN) CentraNet[®] Service is required to conform with the Technical Reference Specifications as used by the Company in the Verizon Technical Interface Reference Manual. Refer to Bellcore TR #'s 393, 394, 397, 471, 793, and ANSI T1.601-620, T1.216-219. Digital (ISDN) CentraNet[®] Service will be provided where local loops do not exceed a maximum of 34 db loss as measured at the customer's premises. Where these conditions cannot be met, the customer must subscribe to Individual Line Loop Extension for Digital (ISDN) CentraNet[®] Service. (T)
- u. Digital (ISDN) CentraNet[®] Access
 - (1.) Digital (ISDN) CentraNet[®] Access provides support for connecting a maximum of eight (8) terminals, belonging to the same customer, to a single Digital (ISDN) CentraNet[®] Line (2B+D). A minimum of one (1) and a maximum of eight (8) identifiable users is allowed per Digital (ISDN) CentraNet[®] access.

A12. CENTRAL OFFICE NON-TRANSPORT SERVICE OFFERINGS

A12.12 CentraNet® Custopak (Continued)

.2 Conditions

a. **CentraNet® Custopak Service System**

CentraNet® Custopak service lines sharing a common intercom arrangement and a primary Directory listing will be considered a CentraNet® Custopak Service System. A system must have a minimum of two lines and may not exceed a maximum of thirty CentraNet® Custopak Service lines. If the CentraNet® Custopak system falls below two lines it will no longer be considered a CentraNet® Custopak system. The remaining line will be converted to an individual business line with no features. All existing tariff rules, regulations, rates and charges associated with the conversion will apply. (N)

CentraNet® Custopak Service is classified as a business service and is offered only as a complete service. The exchange access, intercommunication and services are not offered separately. (N)

b. **Service Options**

Basic Service – Services included with a CentraNet® Custopak service line.

Assume Dial "9"
 Call Hold
 Call Transfer (All Calls)
 Consultation Hold
 Direct Inward Dial (DID)
