Dear Ms. Salak,

Enclosed please find the revised tariff page to Frontier Communications of The South, Inc.'s Subscriber Services Tariff, beginning April 15, 2006 and not to extend later than July 16, 2006 subject to Public Service Commission approval, as follows:

Section A2
Second Revised Sheet 11.10

Frontier Communications of The South, Inc. is offering a special promotion to residential customers. The Move Free Retention Option promotion waives the non-recurring installation charges for an existing residential customer who moves to a new location within the company's service territory. The customer must commit to a six-month term in order to receive the waiver of the installation charges. A termination charge of an amount equal to the installation charge will be applied if the customer cancels within the six-month period. The name on the account must remain unchanged and the new account must be set up within a week of the cancelled account. A customer can take advantage of this offering once. The original account must be in good standing to take advantage of the waiving of charges.

Enclosed is an additional copy of this letter and a stamped self-addressed envelope. Please stamp this copy with the date received and return it. If you have any questions, please contact Monique Adams at (585) 777-7395 or me at (585) 777-4717.
