RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of November 22, 2006. The Company's tariffs are available on its website at www.embarq.com/tariffs.

Index	Twelfth Revised Sheet 1	Section A13 Cont'd	Third Revised Sheet 6
Section A13	Third Revised Contents Sheet 15		Second Revised Sheet 7
	Second Revised Sheet 1		Third Revised Sheet 8
	Second Revised Sheet 2		Second Revised Sheet 9
	Second Revised Sheet 3		Third Revised Sheet 10
	Second Revised Sheet 4		Third Revised Sheet 77
	Third Revised Sheet 5		

This filing eliminates Automatic Time/Temperature/Weather Announcement Systems from the tariff. The service has no current customers so no customers' rates or services will be affected. In addition, this filing makes language changes to clarify and standardize Blocking Services.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews

- ~~c. The customer will contract for a unit of such capacity and for as many announcement lines and terminal equipment initially and subsequently as may be required in the judgment of the Company to adequately handle calls to announcement equipment without impairing the Company's general telephone service or telephone plant.~~
- ~~d. Facilities shall be used for such announcement, together with such other announcement as may be desired by the customer, provided, however, that the contents and length of such announcements shall be subject to the approval of the Company.~~
- ~~e. The Company will furnish said announcement facilities to its customers for use by such customers in providing announcements, only within the limits of the local service area serving the customer, including the limits of other local service areas having access to the location of the announcement facilities on a local service basis. This limitation, however, is not intended to preclude the completion of any incoming sent paid message toll calls placed to the time announcement number.~~
- ~~f. Telephone users calling the announcement numbers are automatically disconnected after elapsing of time for one full announcement.~~
