RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of April 21, 2007. The Company's tariffs are available on its website at [www.embarq.com/tariffs](http://www.embarq.com/tariffs).

Section A20 Sixth Revised Sheet 88  
Seventh Revised Sheet 89

This filing adds the Private Line Services Signaling Arrangements Type C (900 or more ohms) rate to the tariff which was removed from the tariff in error. In addition, this filing removes the United Telephone reference and the separate Private Line Services Signaling Arrangement rates for Centel Telephone. These tariff pages should have been changed in 2005 and shown as the same without these references. Customers are being billed correctly so no customers' rates or services are affected by this filing.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Tamela Kelly at 850-599-1029.

Sincerely,

Mary L. Matthews
