F. MULTILINE BUNDLE

1. General

a. **MultiLine Bundle is an optional business service enrollment plan that permits customers to receive Local Exchange Service and additional features and services for a flat monthly rate, for each MultiLine Bundle provided. Each MultiLine Bundle includes one Key Line or Business Flat Rate Service. However, customers must subscribe to at least two MultiLine Bundles per location, which must be billed under a single invoice. Each MultiLine Bundle includes the following:**

- 1) Key Line or Business Flat Rate Service**
- 2) Rotary Service (optional)**
- 3) Three-Way Calling with Transfer (optional)**
- 4) Caller ID with Name (optional)**
- 5) Anonymous Call Rejection (optional)**

b. **Customers must also subscribe to an Embarq Communications, Inc. long distance plan at the rates applicable for that service.**

2. Terms and Conditions

a. **The Plan is not available with Centrex, ISDN Service lines, Pay Telephone Service lines, or PBX Trunks.**

b. **The Plan is not available to customers who are or become toll restricted. Service Charges will not apply for those existing lines converted, in-place, to business exchange service due to company-initiated toll restrictions. Such customers will not be permitted to re-enroll in this Plan until such time as all associated unpaid balances are satisfactorily paid in full.**

c. **Service Charges as specified in Section A4 of this tariff apply for new and additional MultiLine Bundles and moves of existing MultiLine Bundles.**

d. **Service Charges do not apply when a MultiLine Bundle replaces existing Local Exchange Service.**

e. **MultiLine Bundle is not available to customers at the same location where the customer also subscribes to a Solution Business Package.**

3. Term Discount Plan (TDP)

- a. **MultiLine Bundle is available under a Term Discount Plan (TDP) for term commitments of two or three years. At the end of the TDP commitment period the customer may renew the TDP for another two or three year TDP commitment period. If the customer does not specify renewal terms in writing 90 days prior to the expiration of the TDP, the commitment period and the discount in effect at the time of expiration will automatically be extended for 12 months. The customer can terminate service at the end of the commitment period with no penalty or obligation to continue the service.**
- b. **Rate increases or decreases will automatically be applied to the monthly term commitment rates for the remaining term of the TDP. If a Company initiated rate increase causes the services under the TDP to increase by 10% or more annually, then the customer may cancel the TDP without incurring termination liability charges provided the customer notifies the Company within 30 days after the effective date of the rate increase.**
- c. **If a customer disconnects any of the access lines associated with MultiLine Bundle prior to the expiration of the TDP, a termination liability charge will apply for the disconnected access line(s). The termination liability charge will be a one-time charge of \$100.00 for each access line associated with MultiLine Bundle that is prematurely disconnected.**
- d. **Customers must retain a minimum of two MultiLine Bundles. If disconnection of any access line associated MultiLine Bundle(s) prior to the end of the TDP results in only one remaining MultiLine Bundle, that remaining bundle will default to the applicable tariffed rates for the Local Exchange Service access line or key trunk, including Rotary Service if the line or trunk is so equipped, plus the tariffed rates for the individual features.**
- e. **If a customer retains the access line(s) associated with MultiLine Bundle, but discontinues any or all of the required services prior to the expiration of the TDP, the termination liability charge will be a one-time charge of \$100.00 for each MultiLine Bundle for which the required services were discontinued, and the associated access line(s) will default to the applicable tariffed rates for the Local Exchange Service access line or key trunk, including Rotary Service if the line or trunk is so equipped, plus the tariffed rates for the individual features.**
