Now and Later Program

(T) (N)

During the period of November 5, 2008 through February 2, 2009 new Residential Customers who establish an account and subscribe to any Solutions Package and High Speed Internet from the Company will receive an invoice credit for up to \$25.00 each on their first and second bills. In addition, customers will receive a monthly credit of \$10 on their third through twelfth month's bill.

New Residential Customers who establish an account and subscribe to any Solutions Package and High Speed Internet plus DISH Service from the Company will receive an invoice credit for up to \$50.00 each on their first and second bills. In addition, customers will receive a monthly credit of \$20 on their third through twelfth month's bill.

The credits will be up to the amount specified, but will not exceed the customer's monthly charges (excluding long distance, taxes, surcharges, and other fees).

Eligible customers must not have had service disconnected for non-payment and must not have any past due bills for regulated services owed to the Company. This promotion does not apply to moves, changes, or additions to an existing customer's service.

If a customer discontinues service for which credit was issued prior to the end of required service period, credits issued under this promotion will not be rescinded; however, customers who discontinue service prior to the end of the minimum service or term commitment period are responsible for the termination liability charges normally applicable for that service.
