J. SPECIAL PROMOTIONS (Cont'd)

Complex Customer Offer

During the period January 1, 2009 through **December 31, 2009**, new and existing business customers who are contacted by the Company or contact the Company and request this promotion may be eligible for a one-time bill credit when they subscribe to ISDN-PRI II and/or PRI-Bundle. To be eligible, customers must order a qualifying service(s) under a new two year or greater term commitment with a resulting monthly spend of \$300 or more. Charges for all qualifying services (excluding taxes, surcharges and other fees) contribute towards the monthly spend. All nonrecurring installation and service charges normally applicable will also be waived under this promotion (excluding inside wire, construction, or CPE installation). (C)

The credits will range from \$300 to \$2,000, but will not exceed the customer's monthly charges (excluding taxes, surcharges, and other fees) and will be reflected on the customer's bill in the next full month's billing cycle.

There is no limit to the number of qualifying services that a customer can subscribe to under this promotion.

The first full month's service for which credit will be issued will count as the first month of service under the term commitment period. If a customer discontinues service for which credit was issued prior to the end of required service period, credits issued under this promotion will not be rescinded; however, customers who discontinue service prior to the end of the term commitment period are responsible for the termination liability charges for the service(s) that are prematurely disconnected.
