**SECTION 4 – SUPPLEMENTAL SERVICES AND RATES (CONT'D.)****4.7 Directory Assistance****4.7.1 Local Directory Assistance**

Provides for identification of telephone directory numbers, via an operator or automated platform. Customers are provided with a maximum of 2 listings per each call to Directory Assistance.

There are no call allowances for Directory Assistance. No credit will be given for requested telephone numbers that are not found in the directory. Customers may reach Directory Assistance by dialing direct or by having the call billed to a calling card or third number.

A business or residence main telephone exchange line may be registered for exemption from Directory Assistance charges where one of the users of the line is considered to be legally blind, visually or physically handicapped, or where the user's handicap prevents the dialing of a telephone in a conventional manner or permits only the dialing of "0". Requests for exemption must be accompanied by certification of the handicap. Acceptable certifications include those signed by a physician, issued by a state agency qualified to certify such handicaps or pre-existing certifications establishing visual or physical inability to use a directory such as those which qualify the handicapped person for an income tax exemption or social security benefits on the basis of blindness or physical disability or for use of the facilities of an agency for the blind.
