ORDER GRANTING ADDITIONAL TIME TO FILE TRAFFIC STUDY

On April 28, 1987, we issued Order No. 17477, which among other things, required Central Telephone Company of Florida (Centel) to provide certain traffic studies applicable to Holmes County for the Commission's review. In accordance with Rule 25-4.060, Florida Administrative Code, we required the studies to be completed and filed on or before June 29, 1987.

On June 26, 1987, Centel filed a Motion for Extension of Time to file the required study data. Centel indicated it will not be able to file the required data by June 29, 1987. Centel requested an extension of ten (10) days until July 9, 1987.

We hereby grant the extension requested. It is, therefore,

ORDERED by Commissioner John T. Herndon, as Prehearing Officer, that Central Telephone Company of Florida shall file the required traffic study data on or before July 9, 1987.

By ORDER of Commissioner John T. Herndon, as Prehearing Officer, this 7th day of JULY, 1987.
