ORDER GRANTING AMENDMENT OF CERTIFICATES

BY THE COMMISSION:

On October 6, 1988, Jacksonville Suburban Utilities Corporation (JSUC or Utility) filed an application for amendments of Certificates Nos. 236-W and 179-S to include additional territory. The application was filed pursuant to Section 367.041, Florida Statutes and Rule 25-30.045, Florida Administrative Code, which allow certificates to be amended without prior installation of lines and facilities.

The land area involved in this application is in southeast Duval County and is adjacent to JSUC's Royal Lakes service area. The area is largely undeveloped, but the Utility has had several inquiries about service. Water and sewer service will be provided by Royal Lakes, with expansions of the plants as the need arises. The service is projected to have 90% of the equivalent residential connections (ERC) committed by the end of 1994.

The Utility's intent to amend its certificates to include the additional territory was noticed three times. The City of Jacksonville and Greenland Utilities Company filed objections to the first two notices. These objections were addressed in Docket No. 870774-WS. The parties reached an agreement, whereby JSUC agreed to purchase Greenland Utilities Company (The transfer of Greenland Utilities Company to JSUC was handled in Docket No. 880658-WS). Further, the City agreed not to object to certain territories not yet noticed by JSUC.

In its application, the Utility provided the information required by Rules 25-30.030 and 25-30.035, Florida Administrative Code, and Section 367.041, Florida Statutes. No objection to the last notice has been filed and the time for doing so has passed.

Based on the foregoing, we find that it is in the public interest to amend Certificates Nos. 236-W and 179-S to include the territory described in Attachment A of this Order.

It is, therefore,

ORDERED by the Florida Public Service Commission that the application of Jacksonville Suburban Utilities Corporation, 644 Cesery Boulevard, Suite 108, Jacksonville, Florida 32211, for amendment of Certificates Nos. 236-W and 179-S to include the

territory described in Attachment A of this Order is hereby granted. It is further

ORDERED that Jacksonville Suburban Utilities Corporation shall return Certificates Nos. 236-W and 179-S to this Commission for proper entry within 20 days of the date of this Order. It is further

ORDERED that the customers in the territory added herein shall be charged the rates approved in the Utility's tariff. It is further

ORDERED that Docket No. 881306-WS is hereby closed.

By ORDER of the Florida Public Service Commission,
this 7th day of MARCH, 1989.
