FINAL ORDER INDICATING EXEMPT STATUS
OF LAKE DEATON MOBILE HOME PARK

BY THE COMMISSION:

On January 13, 1987, the Board of County Commissioners of Sumter County adopted a resolution, pursuant to Section 367.171, Florida Statutes, whereby jurisdiction over the authority, services, and rates of water and sewer utilities providing service in Sumter County was transferred to the Florida Public Service Commission. By Order No. 17207, issued February 18, 1987, this Commission acknowledged the jurisdictional transfer and directed all persons providing water and/or sewer service in Sumter County to register with the Commission for review of their regulatory status.

Lake Deaton Mobile Home Park, ("Park"), is a mobile home park in Sumter County. The owner of the park leases mobile home lots to various tenants for a monthly rent. Water and sewer service is provided by the owner to his tenants. A March 27, 1989 affidavit signed by the owner of the park states that water and sewer service is provided solely to the tenants of the park, that the owner does not charge any specific charge for water and sewer service, and that any compensation received for said service is nonspecifically contained in tenants' monthly rents.

Section 367.022(5), Florida Statutes, provides an exemption from this Commission's regulation for landlords providing water and sewer service to their tenants without specific compensation for the service.

Upon consideration of the foregoing, we find that the water and sewer service provided by the owner of the park is exempt from our regulation under the terms of Section 367.022(5), Florida Statutes. However, should there be any change in circumstance or method of operation, the owner of the park, or his successor(s) in interest, must inform this Commission within thirty (30) days of such change so that we may determine whether exempt status is still appropriate.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that the water and sewer service provided by the owner of the Lake Deaton Mobile Home Park is exempt from regulation by this Commission under the exemption for landlords providing service to their tenants without specific compensation for the service as set forth in Section 367.022(5), Florida Statutes.
