ORDER AMENDING CERTIFICATES TO INCLUDE
ADDITIONAL TERRITORY

BY THE COMMISSION:

On May 26, 1989, Orange-Osceola Utilities, Inc. (Orange-Osceola or Utility) filed an application with the Commission to amend its Certificates Nos. 335-W and 289-S to include additional territory in Osceola County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

On August 24, 1989, Orange-Osceola notified certificated utilities and appropriate governmental agencies in Osceola County of its intention to amend its Certificates to include the territory described in Appendix A, attached to this Order. Proof of Notification has been furnished by the Utility.

Notice of the Utility's intent to extend its service area was published in News-Gazette, a newspaper of general circulation, published in Osceola County, Florida, on August 20, 27 and September 3, 1987. The protests to this application which were received within the prescribed time period were withdrawn. Order No. 19379, issued May 26, 1988, granted the utility an additional year to file its application.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied. The application has been reviewed and found to be in compliance with the statutory requirements. Accordingly, we find it is in the public interest to amend Certificates Nos. 335-W and 289-S to include the territory described in Appendix A to this Order, which by reference is incorporated herein.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificates Nos. 335-W and 289-S, held by Orange-Osceola Utilities, Inc., 2515 Boggy Creek Road, Kissimmee, Florida 32743, are hereby amended to include the territory described in Appendix A of this Order. The Utility is directed to return Certificates Nos. 335-W and 289-S to this Commission within 20 days of the date of this Order for appropriate entry. It is further

ORDERED that the customers in the territory added herein shall be charged the rates approved in the Utility's tariff. It is further
