ADDITIONAL TERRITORY

BY THE COMMISSION:

On July 25, 1989, Orange-Osceola Utilities, Inc. (Orange-Osceola or Utility) filed an application with the Commission to amend its Certificates Nos. 335-W and 289-S to include additional territory in Osceola County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

On May 26, 1989, Orange-Osceola notified certificated utilities and appropriate governmental agencies in Osceola County of its intention to amend its Certificates to include the territory described below. Proof of Notification has been furnished by the Utility.

Notice of the Utility's intent to extend its service area was published in the News-Gazette, a newspaper of general circulation, published in Osceola County, Florida, on June 8, 15, and 22, 1989. No protests to this application were received within the prescribed time period.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied. The application has been reviewed and found to be in compliance with the statutory requirements.
