Re: Rule 25-22.006

890252-PU

Dear Mr. Tribble:

We have reviewed the referenced Rule and Economic Impact Statement in accordance with the provisions of Chapter 120.54. Would it be possible to include in the rule, proviso language to allow flexibility in compliance by small firms--should it later be determined that the cost involved to comply would be substantial and create a financial hardship on small firms as defined in section 288.703, Florida Statutes.

Sincerely,

Lynette Brown, Advocate  
Small and Minority Business
