ORDER CANCELLING CERTIFICATES AND CLOSING DOCKET

BY THE COMMISSION:

On April 4, 1988, Fairfield Fort George Utility Company, Inc. (Fairfield Fort George or Utility) filed an application with this Commission for authority to provide water and sewer service in Duval County. In its application, Fairfield Fort George requested that the Commission issue the certificates prior to setting rates and charges so that it could obtain construction permits. Further, the Utility stated that the State of Florida was considering the purchase of the service territory for conservation and recreational purposes.

On July 7, 1988, this Commission issued Order No. 19627 granting Fairfield Fort George Certificates Nos. 505-W and 439-S. That Order further ordered the docket to remain open so that rates and charges could be set. The Utility was also directed to advise the Commission if the sale to the State occurred and to return the Certificates for cancellation.

In July of 1989 the Utility's service territory was sold to the State of Florida. At that time Fairfield Fort George requested to withdraw its application and returned Certificates Nos. 505-W and 439-S to the Commission, as directed, for cancellation.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificates Nos. 505-W and 439-S, held by Fairfield Fort
