ORDER SUSPENDING DATES IN  
ORDER NO. 21978 ESTABLISHING PROCEDURE

On July 20, 1989, St. Johns North Utility Corp. (St. Johns North) and General Waterworks Corp. (General Waterworks) filed a notice of joint application for a transfer of water and sewer certificates from St. Johns North to General Waterworks. The joint applicants have further requested establishment of rate base, rates, charges, and service availability policies, and a limited proceeding to adjust rates.

On August 4, 1989, General Development Utilities, Inc. (GDU) filed an objection to the proposed transfer. Accordingly, this matter was set for hearing on February 12, 1990, by Order No. 21978, establishing procedure. On October 17, 1989, Fruit Cove, Ltd. filed a petition to intervene in the proceeding. On October 23, 1989, GDU withdrew its objection.

Since GDU withdrew its objection, Commission Staff is recommending that this proceeding be processed without a hearing. This recommendation will be addressed at the December 5, 1989 Agenda Conference. Therefore, the Chairman finds it appropriate to suspend the dates in the Order Establishing Procedure, Order No. 21978, issued October 2, 1989, pending the outcome of the December 5, 1989 Agenda Conference.

It is, therefore

ORDERED by Chairman Michael Mck. Wilson that the dates in the Order Establishing Procedure, Order No. 21978, issued October 2, 1989, are suspended pending the outcome of the December 5, 1989 Agenda Conference.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
