On July 31, 1989, GTE Florida Incorporated (GTEFL) filed a petition seeking authority to move certain records to out-of-state locations. Rule 25-4.020, Florida Administrative Code, proscribes a utility from maintaining records outside Florida unless prior approval is received from the Commission.

As part of a corporate reorganization, GTEFL adopted a plan which called for the relocation of various records to company offices in six states other than Florida. The petition was filed for the purpose of obtaining the requisite approval to implement this plan.
