REVISED PROCEDURAL ORDER

Order No. 22828, issued April 17, 1990, established the controlling procedural dates for this proceeding. Subsequent to the issuance of that Order, Southern States Utilities, Inc. (Southern States) requested additional time to file its prefiled testimony and requested comparable adjustments to the testimony filing schedule.

The parties have been engaged in negotiations to resolve their dispute. Southern States presented a proposal to the Board of Directors of the Wedgewood Homeowners Association (Association). An extension is requested to avoid Southern States' incurring the expense associated with preparation and filing of formal testimony. This expense may prove unnecessary if the Association and the Commission accept the proposal.

Upon consideration, I find the request reasonable and I will grant a 30 day extension of time in which to file prefiled testimony and comparable adjustments to the testimony filing schedule as follows:

Southern States testimony and exhibits	July 2, 1990
Objector/Intervenor testimony and exhibits	August 9, 1990
Staff testimony and exhibits	August 20, 1990
Rebuttal testimony and exhibits	August 30, 1990
Prehearing Statements	August 28, 1990

All other provisions of Order No. 22828 remain in effect.

It is, therefore,
