NOTICE OF PROPOSED AGENCY ACTION

ORDER GRANTING TRANSFER OF CERTIFICATE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On August 1, 1990, Transcall America, Inc. d/b/a ATC Long Distance (Transcall/ATC or the Company) applied for authority to transfer Certificate No. 57 from South Tel, Inc. South Tel, Inc. is a Florida corporation that holds interexchange carrier (IXC) Certificate No. 57. Transcall/ATC is also a Florida corporation; it holds IXC Certificate No. 43.

With this transfer, Transcall/ATC states that it will consolidate the operations of South Tel, Inc. with its own. The Company asserts that this will result in the efficient and economic provision of service to customers on an interstate as well as intrastate basis in Florida. We agree.

Each company will be operated for the foreseeable future as a distinct carrier. The currently approved IXC tariffs of both Transcall/ATC and South Tel, Inc. are on file with this Commission. Transcall/ATC will keep in full force and effect all existing service and rates of South Tel, Inc.'s existing tariff to ensure continuity of service. Additionally, South Tel, Inc.'s customers will continue to be billed in that company's name.

Upon consideration, we find it appropriate to approve the proposed transfer.
