RE: Ex Parte Communication Regarding Docket No. 910130-TI,
Initiation of Show Cause Proceedings Against
Communications Catalyst Corporation for Failure to File
1990 Annual Report.

On March 4, 1991, I received an ex parte communication from Mr. Tom Van Rijn representing Communications Catalyst Corporation regarding the above referenced docket.

Attached to this memorandum is a copy of written materials sent to me by Mr. Van Rijn.

Although Mr. Van Rijn's letter was mentioned at the March 5, 1991 Regular Commission Conference as having been received, I believe it is necessary to place this memorandum and attachment on the record of the proceeding pursuant to section 350.042, Florida Statutes. Please give notice of this communication to all parties to the docket and inform them that they have ten days from receipt of the notice to file a response.

Re: Docket #910130-TI

Dear Mr. Gunter:

Our company has been asked to show cause for failure to file a 1990 Annual Report.

This report was mailed from California with a January postmark, but did not arrive in the office of the Public Service Commission until February 2, 1991.

It was our first filing and I, personally, was responsible for making the plan to file timely like other federal and state reports. However, I did not realize that this filing's deadline was different with respect to the actual date the Annual Report had to be in your office. I am very sorry for the oversight.

CCC is a very small company. We are not actively engaged in doing any business in the State of Florida at this time, and our filing clearly reflects this.

We ask for your indulgence with regard to the recommendation you make concerning our company. Please understand that it is a financial hardship for our company to appear in person before the commission.

Your consideration in this matter is appreciated.

Sincerely,

Tom Van Rijn
