ORDER AMENDING CERTIFICATE TO INCLUDE
ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On October 10, 1991, General Development Utilities, Inc. (GDU or Utility) filed an application with this Commission to amend Certificate No. 444-W to include territory in Sarasota County, Florida, which was omitted from the territory granted by Order No. 25295 in Docket No. 910723-WS. The additional territory consists of five residential lots lying South of U.S. Highway 41. GDU filed the application to correct the omission.

The application is in compliance with Section 367.045, Florida Statutes, and other pertinent statutes and administrative rules. In particular, the notarized application contains:

1. A filing fee in the amount of \$150.00, as prescribed by Rule 25-30.020, Florida Administrative Code.
2. Adequate service territory and system maps and a territory description, as prescribed by Rule 25-30.036, Florida Administrative Code. The additional territory in Sarasota County is described in Attachment A of this Order.
3. Proof of notice to interested governmental and regulatory agencies and utilities within a four-mile radius of the territory, and proof of advertisement in a newspaper of general circulation in Sarasota County, as prescribed by Rule 25-30.030, Florida Administrative Code.
4. Evidence that the Utility owns the land upon which its facilities are located, as required by Rule 25-30.036, Florida Administrative Code.

No objections to the notice of application have been received and the time for filing such has expired.

Since GDU has been in operation under our jurisdiction since 1971, and has been providing satisfactory service to its customers, we believe that the Utility has demonstrated its ability to provide

service to the additional territory. From the information filed with the application, it appears that GDU has the financial ability to serve the additional territory. Therefore, we find that it is in the public interest to amend Certificate No. 444-W and to include the territory described in Attachment A of this Order, which by reference is incorporated herein. GDU has returned Certificate No. 444-W to the Commission for entry reflecting the amendment. GDU has also filed revised tariff sheets reflecting the additional territory.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificate No. 444-W, held by General Development Utilities, Inc., 2601 South Bayshore Drive, Miami, Florida 33133-5461, is hereby amended to include the territory described in Attachment A of this Order, which by reference is incorporated herein. It is further

ORDERED that the customers in the territory added herein shall be charged the rates and charges approved in the Utility's tariff. It is further

ORDERED that Docket No. 911029-WU is hereby closed.

By ORDER of the Florida Public Service Commission, this 13th
day of JANUARY, 1992.
