ORDER APPROVING TARIFF FILNG

BY THE COMMISSION:

AT&T Communications of the Southern States, Inc. (ATT-C) submitted a proposed tariff filing to introduce AT&T Plan Q, an add-on to the same service offered in the interstate jurisdiction, which is scheduled to go into effect January 8, 1992. AT&T Plan Q provides a 10% discount for direct dialed or Card Issuer Identification Code (CIID)/891 calling card calls made to the most frequently called area code during each billing period. This does not include conference calls, directory assisted calls, or calls to 700, 800, and 900 special service codes. Any subscriber of ATT-C who does not subscribe to any other ATT-C discount toll plan is eligible for the service. There is a \$10.00 nonrecurring charge to sign up and a monthly \$5.00 recurring charge in addition to toll charges.

According to ATT-C, this service is being proposed in response to competitive offerings such as MCI's Friends and Family. The Company states that the proposed rates cover access charges.

The 10% discount will provide additional benefits to those customers electing to subscribe to the service. Therefore, we find it appropriate to approve AT&T's Plan Q offering.

At the conclusion of the protest period, if no protest is filed, this docket shall be closed.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that AT&T Communications of the Southern States, Inc.'s tariff filing to offer AT&T Plan Q is hereby approved. It is further

ORDERED that if a timely protest is filed pursuant to the requirements set forth below, all increased revenues resulting from this filing shall be held subject to refund. It is further
