Re: Docket No. 920159-WU - Application for Amendment by Marion Utilities, Inc.

Dear Mr. Thompson:

I have reviewed your amendment application and need to advise you of several deficiencies which must be filed with the Commission. These items are as follow:

- 1. Rule 25-30.036(1)(c), Florida Administrative Code (FAC) - Provide a statement demonstrating why granting the amendment would be in the public interest.
- 2. Rule 25-30.036(1)(d), FAC - Provide either a warranty deed or lease for the land upon which Spruce Creek Water plant is sited.
- 3. Rule 25-30.036(1)(e), FAC - Provide a clean copy of the legal description for Cherrywood Estates. The copy which you filed is illegible.
- 4. Rule 25-30.036(1)(p), FAC - Provide your current certificate for revision.
- 5. Rule 25-30.036(1)(0), FAC - Provide a revised tariff sheet to show the applicability of service availability charges to the new territory.
