DISCUSSION OF ISSUES

ISSUE 1: Should the Commission cancel the certificates to provide Pay Telephone Service (PATS) referenced in the above dockets?

RECOMMENDATION: Yes, staff recommends that the referenced certificates should be cancelled.

STAFF ANALYSIS:

- Certificates were approved and issued to the PATS providers on the attached list; however, the providers can no longer be located.
- Staff's attempts to communicate by phone and mail have been unsuccessful. Additionally, the regulatory assessment fee billing and annual report has been returned as undeliverable by the Post Office.
- Since the contact information originally provided is no longer correct and the providers have not kept us informed of their current address as required by Commission Rule 25-24.520, staff believes these certificates should be cancelled.
