ORDER GRANTING EXTENSION OF TIME

By Order No. 25617, issued on January 21, 1992, the Commission required Central Telephone Company of Florida (Centel or the Company) to file traffic studies for certain routes in Washington County by March 21, 1992. On March 18, 1992, Centel filed a Motion for Extension of Time (Motion) in which to file the required traffic studies. Centel argues that it needs additional time because the programming and analysis required by the Extended Area Service rule will take longer than anticipated. Centel asks that the time for filing the studies be extended until April 10, 1992.

The Motion has not been opposed.

Upon review, Centel's Motion is granted. The traffic studies required by Order No. 25617 shall be filed by April 10, 1992.

Based upon the foregoing it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that Central Telephone Company of Florida's March 18, 1992, Motion for Extension of Time is hereby granted as set forth in the body of this Order.

By ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 1st day of APRIL, 1992.
