RE: Correct business name

MESSAGE: I received your telephone message. As per my telephone conversation today with Jim Strong, I am sending you this fax.

I have reviewed page 2 of our Application. The response to question 3 should be "American Wats, Inc." and not just "American Wats."

The correct company name is American Wats, Inc. Our tariff is prepared as American Wats, Inc. We do business as American Wats, Inc. And we bill as American Wats, Inc. Also, our new stationery will read American Wats, Inc.

I hope this rectifies any misunderstanding. If you should have any further questions, please do not hesitate to call me at (215) 542-9191.

# OF PAGES: 1, including cover sheet.

American WATS FROM THIS DOCKET TITLE.
