NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING BOUNDARY CHANGE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On February 26, 1992, Southern Bell Telephone and Telegraph Company (SBT) filed a tariff to transfer a portion of the Orange Park exchange to the Jacksonville exchange. This transfer is proposed because of changing demographics and to allow SBT's boundaries to conform with existing political boundaries.

One fourth of the Ortega Bluff subdivision is located in the Orange Park exchange. The remaining three fourths lies in the Jacksonville exchange. Three of the 513 lots are bisected by the existing exchange boundaries. The entire subdivision is located within Duval County and future subscribers will utilize Duval County schools and services such as police, fire, and rescue. Postal service will be provided through the 32244 zip code from Duval County. The lots to be transferred are currently undeveloped; therefore, no current subscribers will be affected.

SBT also advises that service can be provided more economically from the Wesconnett wire center in the Jacksonville exchange than from the Orange Park exchange or to serve portions of the area from each exchange. The transfer will also offer future subscribers access to a much larger calling scope for \$.25 more in basic local rates.
