ORDER INDICATING THE NONJURISDICTIONAL STATUS OF
PORT ST. LUCIE LANES, INC.

On October 6, 1992, Port St. Lucie Lanes, Inc. (Lanes or utility), filed an application with this Commission for recognition of its nonjurisdictional status pursuant to Section 367.021(12), Florida Statutes. The utility is located at 6759 South US No. 1, Port St. Lucie, Florida. Lanes is a bowling center that operates a water and wastewater treatment facility in St. Lucie County. Ms. Margaret Brunt, manager, filed the application on behalf of Lanes.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060 (1), (2), and (3)(j), Florida Administrative Code. According to the application, water and wastewater service is provided only to the utility's property, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Brunt acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

FPSC-REGISTRATION/REPORTING

Since, based on the facts as represented, Lanes will not be providing water and wastewater service to the public for compensation, we find that it is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Lanes or any successors in interest must inform the Commission within 30 days of such change so that Lane's nonjurisdictional status may be reevaluated.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Port St. Lucie Lanes, Inc., located at 6759 US No. 1, Port St. Lucie, Florida, 34952, with Margaret Brunt as contact person, is not a water and wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Port St. Lucie Lanes, Inc, or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate the utility's nonjurisdictional status. It is further
