Dear Mr. Feil:

After the examination on January 7, 1993, concerning my physical disability, my wife drove me to the Park and I talked to Mr. Lindahl, he said that the meeting broke up early. I had hoped to meet with you and the other members of the Commission Staff.

I would like to go ahead at this time and order a copy of the hearing at Shady Oaks so if there were any improprieties we can correct them. This is also to let you know that we have retained the Firm of Rose, Lundestrun and Bentley, Mr. Marty Detterding. We would appreciate your current status report as to the appeal.

Very truly yours,

R. D. Sims
